

"The behaviour of children is outstanding. They play extremely well together, learning to share and to help each other" St. Werburgh's Park Nursery School Ofsted Report, January 2015

Facilitator/s:

Lucy Freeman, Assistant Head
Teacher

Who the course is aimed at:

Teachers, Managers, Teaching Assistants, Learning Mentors and those with lead responsibility for inclusion, EYFS and KS1

Description:

A one day course for teachers and practitioners to look closely at the impact of challenging behaviour on the child, the staff and the wider learning community. There will be opportunities to share the challenges that are faced by attendees and look at possible ways of supporting children. The day will enable attendees to look at the impact of behaviours as well as the impact of strategies used to manage challenging situations.

Dates: Thursday 22nd March 2017

Time: 9.00am — 3.00pm

Venue: St. Werburgh's Park Nursery School

Cost: £70 (includes lunch)

Contact rosie.duckett@bristol-schools.uk to book a place.

Key aims:

- To provide opportunities for extensive professional discussion around children's behaviour and its impact upon the individual and other.
- To provide a toolkit of preventative and supportive strategies that enables a positive learning environment.
- To use Conflict Resolution as an opportunity to promote and develop learning and emotional literacy.

Consider these links to the Bristol Standard framework:

- D1 Treating each other with respect and valuing each others' knowledge and skills
- D1 Safeguarding children
- D2 Positive, respectful relationships and managing challenging times
- D2 Supporting children to manage their intense emotions and thrive as learners
- D3 Identifying and planning for children who need additional support
- D5 Nurturing emotional well-being
