

# South & East Side October Half-Term Holiday Programme with Unique Voice

## FREE places for young people

Through our extensive community work we know that holiday provisions have the ability to engage hard to reach families and enable young people to explore their skills and talents. Using the arts can provide social and emotional learning that has multiple benefits.

We are very excited to announce that after being fortunate enough to receive funding from BYCA we will be providing **TWO** Half-term Holiday programmes, one in **South** and one in **East** Bristol.

## What will it include?

Programmes will run as two day Masterclasses in an arts based subject and we aim to engage and inspire young people from South and East Bristol during the October Half-term. Activities will include games, drama activities and crafts focussed around a particular arts based skill.

## Who can take part?

Both programmes are available to **targeted** young people aged 6-13. As targeted provisions, we prioritise referrals for children who meet one or more of the following disadvantages;

1. Pupil premium funded children
2. Children affected by domestic violence
3. Children affected by sexual abuse
4. Children currently on a CP Plan
5. Looked after children
6. Young Carers
7. Special educational needs

## How much does it cost?

Due to receiving funding from BYCA and fundraising from our #Help100 campaign, we are delighted to we can offer FREE places to those children who meet any of our key of disadvantage.

## I'd like to refer a child, what should I do?
