

St Werburgh's Park Nursery School

Pupil Premium Report 21/22

The Early Years Pupil Premium is additional funding for Early Years settings to improve the education provided for disadvantaged 3 and 4 year olds.

It is the responsibility of each setting to identify children and families that are eligible for the funding and support them to apply for it.

If a child is eligible, the setting will receive £300 to support them. This equates to 53p an hour or £25 per month. This is in comparison to the £1,300 that primary schools receive per pupil for Pupil Premium. Primary Schools have received Pupil Premium funding since 2011, with Early Years settings receiving the funding from 2015.

Families are eligible if:

- They are receiving Income Support
- They are receiving Jobseekers Allowance
- If they are supported through the Immigration and Asylum Act 1999.
- Receive Child Tax Credits
- Receive Universal Credit
- Are a Child Looked After by the state

At St Werburgh's Park Nursery School, the small amount we receive for Pupil Premium funding is used to enhance our bespoke and targeted provision to impact on supporting families in understanding how they can help their children with their learning, to develop the knowledge and understanding of our staff to improve learning outcomes. We also broaden children's life experiences.

We have used research to underpin the quality and effectiveness of our interventions. Research from **The Sutton Trust** underpins our knowledge and experience of what the most effective impact on outcomes for children is. The Sutton Trust has concluded that the main reasons behind differences for the disadvantaged are:

- Lack of secure attachment in the child and the parent/carer relationship
- Parenting style
- Home environment.

The **Ofsted** research have identified that interventions that have the greatest impact on outcomes for children are:

- Clearly targeted
- Identified through the analysis of performance information

- Delivered through high quality teaching
- Are monitored effectively

Based on this research St Werburgh’s Park Nursery School have used their Pupil Premium funding to focus on:

- Working with Parents/Carers to support their children.
- Developing early language skills
- Developing specific curriculum outcomes
